Dear Colleague:

Re: Fraser Assembly At-Home Assembly

Our store, No. 412, North Burlington, refers customers who need home assembly service to Fraser Assembly.

We think the service is special:

- Fraser Assembly sends us a copy of every email they send to our customers. We are kept fully informed.
- They are punctual, efficient and very good at their work. Customers give them solid reviews.
- Fraser Assembly never returns packaging to our store.
- Fraser Assembly pays us 5% of what they charge our customer. It's a referral fee.

We strongly recommend Fraser Assembly. Their service gives us a leg up on our Box Store competitors.

Sincerely

Ed McFarlane
